ABOUT US

Since its inception in 1996 under the Ali & Sons Holding Group, EuroStar Rent a Car has grown into a trusted name in the UAE's car rental industry. With a network of more than ten branches across the country, we provide seamless mobility solutions designed to match diverse customer needs. Our fleet features everything from premium sedans, SUVs, and high-performance sports cars to practical family vehicles and commercial options, all maintained to the highest standards by certified experts using genuine OEM parts. Supported by a workforce of over 300 professionals, EuroStar Rent a Car combines reliability, affordability, and convenience, making it the preferred partner for individuals, tourists, and corporate clients looking for safe, flexible, and value-driven transportation services in the UAE.
